

East Penn School District

Administrative Offices
800 Pine Street
Emmaus, PA 18049
610-966-8300

Dear East Penn Senior Citizen:

It is with a great deal of pleasure that we issue this Golden Age Card to you. We take this way of thanking our resident taxpayers who have supported the East Penn School District throughout the years.

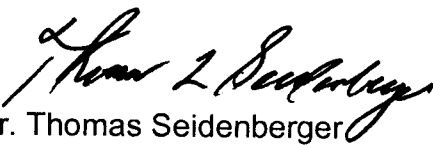

The Golden Age Card, a non-transferable complimentary pass good for life, entitles you to:

- free admission to all home sports events, concerts, plays and special events sponsored exclusively by the school district. If you attend an event that is likely to be sold out, please come early so that you are assured of getting a seat. The regular price will be charged for reserved season tickets. In the case of plays and other events where there is an advance sale of tickets, Golden Age Card holders may also get tickets in advance.
- one free East Penn Community Education class per semester (up to a value of \$40).
- an invitation to the annual district Thanksgiving Dinner.

Golden Age Cards do not cover events using school facilities on a rental basis and not sponsored by the school district.

We hope we shall in some small way contribute to your enjoyment of life in the East Penn School District.

Sincerely,

Dr. Thomas Seidenberger
Superintendent of Schools
