

Lincoln Elementary School Gift Card Sale 2011-2012 School Year

Lincoln Elementary School is selling gift cards. This is your chance to purchase gift cards for your Holiday shopping, gift-giving needs and groceries.

YOU SPEND NO MORE MONEY AND YOU DON'T HAVE TO GO GET THEM AT THE STORES!!!

The school gets a percentage back from each retailer for each gift card they sell to you. – **FREE MONEY FOR THE SCHOOL -**

Example: If you normally spend \$100 at Kmart doing your Holiday shopping, you purchase a \$100 gift card from Lincoln Elementary; the school gets 4% for selling you the card. You spend the same amount, and the retailer pays the school from their profits.

THE ORDER FORM IS ON THE BACK. Simply fill in the number of cards in each denomination you would like to purchase. Multiply the number of cards by the \$ amount for a total for each retailer. Total all of the retailers for a grand total and this is the amount you pay to Lincoln Elementary. Make checks payable to: **Lincoln Elementary PTO** **PLEASE NO CASH!!**

Some new retailers have been added since last year and others removed – this doesn't mean they are not available- they just had limited sales at Lincoln. For a complete list of retailers visit www.glscrip.com and click on **Retailers List**. Feel free to write them into the blank spaces on the order form.

Fill out the order form and return it to Lincoln on or before the Order Date. Below is a list of Order Dates for the school year.
