

# SHOEMAKER RANCH ROUND UP

**DON'T FORGET  
CHICK-FIL-A NIGHT!**

## FALL IN LOVE WITH FEBRUARY!

February is a busy month full of Celebrations! We kicked off the month celebrating Groundhog's Day and it looks like we are in for six more weeks of winter. Warm up at Chick-Fil-A with a hot dinner on February 3rd! On February 7th we will celebrate our

100th Day of School! On Friday, February 10th don't miss the PTO Bingo Night. February 13th-19th is Random Acts of Kindness Week and you can show you care by giving a Valentine to your friends and family. On February 15th don't forget to dress in a

crazy hat. We will celebrate President's Holiday February 17th-20th and there will be no school. On Friday, February 24th we will celebrate Music in our schools at our Mustang Meeting. Lastly, February 29th is Leap Day as we get ready to leap into Spring!

**PLANT SEEDS OF KINDNESS ...**  
**PLANT SEEDS OF LEARNING**

Last year, the first graders created a school yard garden in front of Shoemaker Elementary School. This year we plan to add to our garden and replant all the annuals. We are holding a school-wide fundraiser to earn funds to help defer the cost. We will be selling magnets that will say "Plant Seeds of Kindness... Plant Seeds of Learning" -Shoemaker Elementary. Help spread the word and the kindness! Look for the flyers soon!

**Fifth Grade Spacesuit Fashion Show**

On Feb. 23 at 1:30, the Fifth Grade will be having its Spacesuit Fashion Show in the gym. Parents are invited to come and information will be coming home shortly. We are asking that no small children attend due to available seating and the length of the program.

**REPORT CARDS WILL BE AVAILABLE TO VIEW ONLINE ON HOME ACCESS CENTER ON FEBRUARY 10th!**

**WEATHER WORTHY STEM NEWS!**

Third grade did some great science centers with TONS of parent support to learn about weather. We read aloud from a picture book and then made cloud books, researched natural disaster on the computer, tried to engineer an anemometer without directions, created atmosphere posters after researching a bit, and turned into meteorologist using ED Heads website to learn about weather maps. Great Job Third Graders!

**Google Doodles in the Art Room!!!**

In Art Class, each and every student will be asked the question, "If I could travel in time, I'd visit...". From there each student will design their own Google logo in class around their response. Once they complete their drawing in art class, their creative designs will then be showcased in the gym during Open House later in the year! **If you are a parent who would like to see their student's design also sent to Google headquarters and entered into the national "Doodle 4 Google" Contest, it is REALLY simple this year!** Go to the Doodle 4 Google site at: <http://www.google.com/doodle4google/>
